No Objection Letter for Cylinder Lube oil (DCA5070H)

Dear Sirs,

The DCA5070H lube oil has gone through 4,000 hours of testing on a 6S50MC with supervision of MAN B&W and inspection of engine condition at the start and end of tests. The lube oil showed acceptable performance and we hereby provide DCA5070H a no objection letter for use in connection with MAN B&W two-stroke engines.

As the lube oil is neither produced nor sold by MAN B&W, MAN B&W cannot be kept responsible for any damage to engines or engine components that may be caused by the use of a lube oil.

Best regards
MAN B&W Diesel A/S
